Combine Your Super Form

Use this form to transfer your full or partial superannuation balance from another fund into your First Super account.

Office Use Only: Member Number

If you are combining super from more than one account, you will need to use a separate form for each account. In this form we will refer to your other super account as your **from** fund and your First Super account as your **to** fund. Please complete this form in a blue or black pen using **CAPITAL LETTERS**. Check boxes () where applicable.

Before you combine your super

Before combining your super, you should consider any fees and costs that may apply and the impact on your current insurance cover and benefits. When you combine your super account, any insurance cover you have with your **from** fund does not automatically transfer. If you want to transfer your cover, you will need to do this before combining your super. You should wait until you have received written confirmation from us that your cover has transferred to your First Super account before you combine your super. For more information about transferring your cover, please read the *Insurance guide* at **firstsuper.com.au/pds**. If you are in a defined benefit scheme with your other fund, you should speak with your employer and/or your other fund about the process of combining your existing account with your First Super account.

Combine your super online

The fastest way to transfer other super to First Super is online. Simply log into your firstonline account at **firstsuper.com.au/login** and go to 'Combine your super'.
