Section 2 | Tax File Number (TFN)

Under the *Superannuation Industry (Supervision) Act 1993*, we are authorised to collect, use and disclose your TFN.

First Super may disclose your TFN to another superannuation provider when your benefits are being transferred unless you request in writing that we do not disclose your TFN to any other superannuation provider.

Declining to quote your TFN to First Super is not an offence. However, giving it to us will have the following advantages:

- > we will be able to accept all permitted types of contributions to your account/s;
- > other than the tax that may ordinarily apply, you will not pay more tax than you need to – this affects both contributions to your super and payments when you start drawing down your super benefits; and
- > it will make it much easier to find different super accounts in your name so that you receive all your super benefits when you retire.

I agree to provide my TFN for the purpose outlined in the First Super Product Disclosure Statement:

Yes No

I advise my TFN is:

I have read the information concerning Tax File Numbers and understand a failure to provide my TFN will result in tax implications on my concessional contributions and the inability of the Fund to receive any non-concessional contributions.
