## PROXY VOTING REGISTER - EXPLANATORY NOTES

As per the proxy voting policy and the Investment Governance Statement, First Super will generally vote in line with recommendations from the Australian Council of Superannuation Investors but may vote differently from time to time. Instances of disagreement are now highlighted in the Proxy Voting Register by including a short 'Rationale' and any relevant note.

**"30% Club"** – less than 30% of the board of the company is female, and the director up for (re-)election is the chair of the board or a nominations committee.

**"AWOTE"** – executive cash pay or the non-executive director fee cap has increased by more than Average Weekly Ordinary Time Earnings for the corresponding period.

**"Other"** – discretionary or edge cases. An extra note will accompany these items.
