Record of choice acceptance

In the two months after you receive the form from an existing employee you can continue to make super contributions to their current fund or you can contribute to the new fund the employee nominated. After the two-month period you must make payments to the new fund chosen by the employee.

For new employees commencing employment from 1 November 2021, within the two month period, super contributions should be made to the employee's chosen fund or the stapled super fund if the employee has not made a choice. You can only make contributions to your nominated fund if the ATO advises you the employee does not have a stapled super fund.

If you don't meet your obligations, including paying your employee superannuation guarantee contributions to the correct fund, you may face penalties.

PRIVACY STATEMENT

The ATO does not collect this information; we provide this form as a means for employees to identify and provide necessary information to their employer. An employer is authorised to collect an employee's TFN under the Superannuation Industry (Supervision) Act 1993. It is not an offence for an employee not to quote their TFN. However, quoting a TFN reduces the risk of administrative errors and if the employee does not quote their TFN their contributions may be taxed at a higher rate.

An employee can get more details regarding their privacy rights by contacting their superannuation fund.
